PRODUCT DESCRIPTION

A landowner of noble origins, a friar and a plot of land on which to build the first monastery in the territory of Farra d'Isonzo. Thus began the ancient legend from which "Borgo Conventi" took its name, founded in 1975 with the goal of producing refined and elegant wines from this land that is so highly suited to winemaking. Today a passionate team that is bound together by a love of wine has renewed this challenge while maintaining respect for history and its origins.
