100% Nero di Troia  
Aged in new barriques for 12 months,  
followed by 6 months in bottle. Elegant ruby  
red, blackcurrant, sour cherry and figs at the  
nose. Spicy, well balanced with strong  
tannins at the palate, very long finish.

---

## PRODUCT DESCRIPTION

Located at the foot of the Garganic hills, the estate "Coppanetta" that extends for 30 hectares (25 vineyards), is the heart of our productions. The vineyards of this estate, some more than 40 years old, are composed on limestone and clay soils, ideal for growing grapevines such as Bombino Bianco and Moscato.

Here are located the cellar for wine-making and facilities for bottling and for ageing. In the wine making winery all grapes, grown only on the Gianfelice d'Alfonso del Sordo's vineyards, are processed following modern techniques.
