Chardonnay

Produced from vines within South central Sicily Agrigento - Caltanissetta. Following maceration on the skins, and stainless steel fermentation, the wine then spends 3 months in French Oak Barriques. Straw yellow colour with gold highlights. It has a fragrant exotic fruit bouquet of pineapple and kiwi, with hints of vanilla light toasted. The body is rich, persistent, warm and harmonic.

**PRODUCT DESCRIPTION**

The Grottarossa Vini company was founded in 1992. The production area is located between the Valley of the Temples in Agrigento and the Colli Nisseni around Caltanissetta. This specific territory produces excellent Sicilian wines. The wines are an expression of this excellent territory. The fertile limestone soils of medium texture, are ideal for planting a variety of local and foreign grapes, the unique land fertility guarantees the uniqueness of the wines.
