**PRODUCT DESCRIPTION**

Manfredi's winery is located in the heart of the beautiful landscape of rolling hills called Langhe (World Heritage Sites UNESCO since 2014), where just the best exposed areas are planted with vines: this is the case of Passo del Bricco hill, where the microclimate gives well-balanced and full body wines.

The word "bricco" comes from "bric" which is, in Piedmontese dialect, the hill: on top of Bricco Rosso hill is situated Manfredi's farmyard with a beautiful view on Langhe and Alps all around.
